#8270 Being an MIT student is great, I finally get all the MIT Confessions references. Shoutout to the wicked response to #8153 during 3.091 last week...

MIT Confessions

September 22 · 🌐

#8069 @8046 Not even going to comment on the ultra cruel judgement that suicide is "for cowards". It's unbelievably selfish and narcissistic to make someone's tragic decision to kill themselves about YOURSELF. It's sad that they couldn't live for themselves- not that they couldn't live "for you". Pretty sure this isn't about you.

If potato is a vegetable, please reach out to post #8508

Concept: babble

- Purpose: to start a live interaction among MIT students

Concept: anonymous name

- Purpose: to allow students to choose whether or not to disclose identity while participating in a babble

MIT Confessions

April 7 · 🌐

#5350 In response to the confession about feeling proud when you were

Concept: vibes

- Purpose: to allow users to react to babbles and comments, to indicate if a babble gives off good vibes, bad vibes

Concept: reputation

- Purpose: to allow the most active users on the site for a certain period of time to be celebrated

Risks and Mitigations

- spam/cyberbullying: due to absence of filtering by a moderator and anonymity
 - limit the number of babbles each user can post per day
 - redact content of babble that gives off too much bad vibes
- breach of confidentiality from hacking: identity of the anonymous writers could be disclosed
 - prevent XSS by not allowing users to post script
